From Our Lord Jesus Christ & Our Blessed Mother To Locutionist Little Mary

The Blessed Mother first came to Little Mary in a dream in August of 1994 and has received over 3000 messages from Jesus and Mary. She wrote the first message on January 11, 1995 and writes the messages in notebooks and shares them with her spiritual advisor.

January 11, 1995, Wednesday ~ Be Silent and Hear My Words.

My daughter, I have protected you. You were a virgin but then chose to become a mother. Look to the highest and crown Him with many crowns. Jesus reigns and is above all the earth. Cast away all your doubts and remain with us. This earth is so full of sorrow and doubt. Look to the skies because God can fulfill your every need. He had promised to keep you, hold you and protect you for He is your true Father and I your true Mother. Rejoice in the Lord always, again I say, rejoice. Be silent and hear my words for I am with you. Look at my heart as I am in yours.

January 12, 1995, Thursday ~ From the Lord Jesus: Look inside the Flower.

Look inside the flower. There was once this tiny seed. Now your petals will open and you will blossom and grow in me. Keep your yes open and beware of dark times. Blessed is the fruit of the womb, Jesus. Stay close to me and you will see the glory and power of eternity.

"From the very beginning my spiritual advisor was chosen by the Blessed Mother. My job as a messenger is to write and relay the messages. I have to ask God everyday for the strength and grace needed to do this. This is not always easy, it is not like writing a letter, and every word I write is embedded in my heart. Some messages are very strong and you feel Jesus' and Blessed Mother's pain."

In 2004 Fatima Priest, Fr. Robert J. Fox's wrote a book called "Messages from the Heart of Our Mother" that contains messages from Jesus and the Mother of God, given to Little Mary. Our Blessed Mother and Jesus gave these messages with a note of urgency, stressing they are for the world. The Blessed Mother uses a certain style directed to all for as a good Mother, she desires to have her messages touch each and every one of her children. Mother Mary speaks in simple words and phrases so that her teachings can be understood by anyone.

MESSAGE #1269 from Jesus November 20, 1997

My child,

It is because of My Divine Mercy that so many have come close to My Most Sacred Heart, so be glad and rejoice for this time of mercy.

Those who have taken refuge in My Heart must too be merciful unto others. They must treat others with love and compassion. They must be truthful and obey all of the Commandments. They must become My followers and pick up their cross. They must remain joyful no matter how heavy their cross becomes so that they always stay loyal to Me. Those who were faithful will then one day have eternal happiness.

But justice will prevail for those who refused My love and mercy, and in time they will be judged. It will be their sins that will sentence them to hell because of their refusal to do My Will. There will be no mercy for those who kill or who abuse My children. They will see fire if they refuse to repent and make atonement for their sins. There will be no mercy for those Priests who are spreading error against My Mother or who discredit her, for she is My Mother, who is the Mother of Grace. The time has come and those who are choosing My Justice had better repent, for their time is soon to come.

So I say to you, harden not your hearts and draw near to Me, for it is I, your Lord, whom you must adore. Come back now so you have time to repent, for you do not know the day or hour of My return. So prepare now and cleanse your soul and seek refuge in My Most Sacred Heart. You will then have joy and My peace will reign in you.

MESSAGE #1846 from the Blessed Mother October 12, 1999

Souls, many souls need your prayers. Many in Purgatory have no-one to pray for them. Many suffer, so please pray each time God allows you to hear their voice. Remind all my children to pray, pray daily for the poor souls in Purgatory. Prayers, my daughter, will help those who are in Purgatory. My daughter, tell the world that you have seen today so more will pray for those souls who have been forgotten. Each prayer will help these souls so that one day they can be in Heaven.

My daughter, please offer your suffering to our Lord, for through your suffering many more souls can be saved. Please do not hold back your tears, allow your tears to flow. Today you feel my pain, but remember always, I will hold you and help you through those difficult days. When one says yes to God, one will never have to carry their cross alone. Our children must understand that when one relays our words, they must also see and feel our pain. If one did not suffer, then one would not be able to share our heavenly words.

My daughter, many will not be able to understand this message until they accept their cross. If one keeps refusing to pick up their cross, then souls cannot be saved. It is through one's willingness to suffer for Jesus, how souls can be saved from the fires of hell. God knows how much each of you can endure, so please do not be afraid to pick up your cross.

Please do all that you can for Jesus no matter what others think of you. God will always be your strength, but it is up to you to be true soldiers for our Lord. It is up to you to go forth and make the Gospel known. It is up to you to teach others what is morally right. It takes a true devotion to Christ to be persecuted for living your faith. It takes love, love in your heart in order to witness and be more like Christ. It takes humility and discipline to be true servants for our Lord. It takes sacrifice and commitment to become true followers for Jesus Christ.

In order to be purified on this earth, you must use your hands and voice for Christ. You must not be prejudice, you must love all your brothers and sisters. You must be willing to help those who are furthest away from God. You must pray and then do whatever God is asking of you. If God is asking you to stay home with your children, then you must obey. If God is asking you to live more simply, then you must, must obey. If God is asking you to spend more time with Him, then you must give up your pleasures.

Each of you must listen, listen to your heart. Each of you must learn to be silent so you can truly hear God. Each of you must learn to trust in order to do the Father's Will. Each of you must live your vocation no matter how difficult it is for you. Each of you have a job to do, so you must listen and obey God. You must not give in to your desires. You must be willing to take the more difficult road. You must be willing to be persecuted, for this is thirst to your soul. Each tear and trial is how you will be strengthened. Each "yes" to God is how you will be led closer, closer to Him.

Today, I ask that you be more willing to pick up your cross on this earth, for this is how you will be purified and strengthened for each new battle. If you choose the easier road, your heart will become lukewarm. If you choose to live in sin, then you will suffer when it is time to leave this earth. Heaven is for those who believe in God and who are willing to pick up their cross on this earth. Heaven is for those who live their life for Christ.

So please, dear children, do not be fooled by those who do not believe in Purgatory or hell, for many, many suffer for refusing to do God's Will. Many, many suffer when they harbor hate and bitterness in their heart. The time is now, dear children, to be purified on this earth, so please respond with your whole heart and do what God is asking, asking of you. Please believe that God is love and He knows what each of you can do. Amen.

VISION OF PURGATORY

This morning, Oct. 12, the Blessed Mother told me she must show me Purgatory. I said, "Why Mother?" and she said, "Because many souls need your prayers, especially those who have been forgotten." I feel much pain today

and I feel as though I am not able to talk or share with anyone, what I saw.

This is what I remember. I felt as though I was walking in fog. It seemed darker in some areas. People were in groups with no walls separating them. I could barely see the first group, but when Blessed Mother put her hand up, there seemed to be light coming from her hands. The people's faces were as if they were stunned or terrified. They said to me, "Pray for me," many times. They looked dirty and very sad. I did not see any children in the first three groups that I saw. The Blessed Mother told me there are many different levels in Purgatory. The air was cold, yet I could see flames on two walls. The Mother said these are the people closest to hell. She said they feel much pain because they cannot do penance for their sins. She said those who repent are spared from the fires of hell. She said prayers are needed so more repent. Through prayer many repent at the very end, so she said one must pray for those souls furthest away from God. When we walked away, it became dark again and I saw another group of people. Each group would say, "Pray for me." The Blessed Mother said, depending what level they are at determines how long they stay in Purgatory. For some, she said it's seconds; for others, it's months and then years. The Blessed Mother says she comforts those who are in Purgatory. She prays everyday for these souls. I saw many groups and it became less dark, the further we walked. All felt pain, though, because they wanted to be with God. The air and surroundings were very misty and foggy, unlike Heaven.

Through this, I learned how important it is to do penance for my sins and I now know that I must pray throughout the day for all souls in Purgatory. If one could get but a glimpse of their faces, one would pray more for them. I know the Mother showed me Purgatory for a reason and I hope all faiths will realize that there is a Purgatory. I saw much more this time and I pray I will never have to see it again.

MESSAGE #2093 from the Blessed Mother January 19, 2001

My daughter, Tell my children that the purpose of these messages is to make the truth known. One cannot be silent when so many are living in sin. God has chosen many messengers in these times to relay Our words.

So, I say to you, my daughter, continue forward in love and in truth. Continue forward, for you have been chosen to relay Our words. Continue forward so more awake, awake from their slumber. Do not become discouraged by those who do not understand the purpose of these messages. God will be your strength and you shall be protected from the adversary. The truth must be made known or more will suffer when it is their time to leave this earth. Many souls are in danger and that is why God is asking you to be persecuted for living your faith. In time, all will have to decide to either repent or live in total darkness.

It is time for all Our children to understand why these messages are being given. My mission on this earth is to assist those children who are on the wrong path. Those who accept my motherly assistance will be led closer, closer to Christ. Those who accept my assistance will come, come to know the truth. These messages are for all Our children, for you each have a soul. You each have areas that you must work on. You each need to come to know God in a deeper way.

Until Our children let go of their will, God cannot enter your heart or soul. Pride is preventing many of Our children from fully living the truth. Unwillingness to do what God is asking of you is why many are not growing in their faith. Yes, lack of discipline and commitment to truly serve Our Lord is why so many are giving in, in to the world. Lack of prayer from one's heart is why Our children do not hear God in the silence of their heart.

God is not pleased with those who are lukewarm in their faith. God is not pleased with those who are turning others away from those groups that I have formed. God is not pleased with those who refuse to see the goodness which is happening in those groups that I have formed. God is not pleased with those who are judging others for making the Gospel known.

If you truly want to please God, then open, open your hearts now. Join hands and recite the Rosary and truly meditate on each mystery. Join hands and allow the Holy Spirit to become a flame inside you. Gather and pray and encourage holiness. Come to Mass as true believers and believe that Jesus is truly present in the Eucharist. Pray for one another and pray each day for your Pope, Cardinals, Bishops and Priests. Pray for seminarians so they do not lose hope. Pray for those who are standing up for the truth. Pray and obey God if you truly want to be more pleasing to Him. Become apostles of unity and pray, pray, pray.

Be faithful to daily Mass, confession, sacrifices and fasting, for in this way you will understand God's love for you. You will understand why God has asked me to assist His children. You will understand how dark this world has truly become. You will understand the importance of truly living and relaying the Gospel.

Today, I weep with you, my daughter, because many do not understand the suffering you must go through. Many do not understand that this world is in danger because so many still continue to crucify my Son. Many do not understand that each time an abortion is done the earth trembles more.

Greater chastisements will occur if Our children remain deaf and blind to what is really happening around this world. Sin has become widespread and there will be consequence for sin. Each child will need to be prepared when this time of God's great mercy and grace ends. God will not have mercy on those who are living in mortal sin. Man will have but little time to repent if they allow arrows of fire to fall from the sky. If man does not take heed to the Fatima message soon, many will see the fire of hell. Many souls will perish and they will not see Heaven, only hell.

I must be firm with all my children today because there is no time to give up. All must turn to God and repent, repent of their evil ways. All must take hold of the Gospel, which is being relayed all around this world. All must change their ways and be truly sorry for their sins.

All depends on Our children, so please share my words from your heart. Share my words, my daughter, for they are truly imbedded in your heart. Don't give in or allow Satan to confuse you, for God has truly blessed your hands and voice. God has blessed this world with many messengers, so please, please don't feel alone. I will wipe your tears and hold you on those difficult days.

Man cannot stop God, so believe, dear daughter, that God is with you. Please help Jesus' plan for the transition of hearts so more souls can be saved. Please use your gifts now for the glory of God. All will one day unfold and peace will reign on this earth. Bring joy to those now who are sleeping, for many are spiritually lethargic. Many need to see Jesus' love in your heart, so move on and trust that God and I are with you.

As a loving mother, I am with all my children each time you pray, pray the Rosary. Unite your prayers with the Holy Family and I promise you, it will have a powerful effect on this world. Rejoice and go forth now in love, peace and fortitude. Amen.

MESSAGE #2443 from the Blessed Mother February 12, 2003

My daughter, You have been chosen to write and relay my messages to those who will listen, so please, let my children know that all is not peaceful. Mankind is in danger because so many are not listening to God. Many leaders are living in sin; so therefore, they are choosing darkness. Many today seek control, and are refusing God's guidance.

I must warn my children today, so that you pray, pray more. Set time aside and pray for your leaders, so more turn to God before it's too late. Take time from your busy life and kneel before our Lord in the Blessed Sacrament. Please, please take time, for prayers are truly needed around this world. Fast and pray, and plead for God's mercy upon this darkened world. Much evil can be destroyed if you do what I am asking of you. A response is needed today, so please do not wait until tomorrow.

Come to Mass, and pray for peace and unity. Bind your Rosaries around this world, and pray, pray from your hearts. Pray for unbelievers so they come to know our dear Lord, Jesus. Pray for all faiths, for they are all your brothers and sisters. Pray for peace and harmony or you will see a devastating war. You will see fire like you have never seen before. You will see much bloodshed and destruction, so please, believe the battle will be won through unity, prayer, and penance. Each battle will be won if you persevere and pray, pray more.

Now please, adore my Son in the most Blessed Sacrament. Pray and believe that God will not forsake you. Implore God's mercy and truly love, obey, and adore Almighty God. Surrender and trust in God's love, mercy, and grace. Amen.

MESSAGE #2574 from Jesus January 9, 2004

My child,

Accept My blood and suffering that I shed for you. It is My gift to you, for you have been chosen to suffer for mankind. Do not be sad for all that you must endure, for it will truly keep you humble and strengthen you.

Put your trust in Me, for I am Jesus who loves you very much. Look at My Eucharistic Heart and feel the fire of My love. Embrace Me so that others will come to know My true presence in the Blessed Sacrament. I know your heart, so come to Me when you feel alone. Your obedience to suffer will truly draw souls closer to Me. Each time you write My words, they will penetrate your heart. You will never be abandoned by Me or My Mother. We are ever so close to you, for you need much protection.

I am with you in all your suffering, so continue to suffer for love of Me. Continue to listen to My Mother, for she is the way to My Eucharistic Heart.

MESSAGE #2652 from the Blessed Mother July 8, 2004

My daughter, listen, listen to my words and do not let others distract you. Write each time I come to you, for each message is for the world. In time, more will come to know the importance of these messages. In time, more will come to know the truth, for these messages will be made known around this world. Just as fire spreads, so too will these messages, for this is God's way to wake His sleepy children.

God's mercy will continue to pour forth across this land, but it is up to each child to accept His loving embrace. Blessed will be those who pick up their cross and follow Jesus. Blessed will be those who imitate Christ, for they will save souls. Blessed will be those who are humble and who are willing to be persecuted for sharing their faith. Those who repent and who are willing to suffer for Our Lord will truly, truly be blessed. They will have peace through all trials and storms. They will have joy no matter what comes their way. God will truly give them the strength to endure each new battle. Blessed, blessed will be those who prepare now and who are accepting God's love and grace.

I am here to remind my children that this time of preparation will soon end. Those who are denying Christ will suffer tremendously; they will not know which way to turn when God strikes this earth. Many will fall to their knees, but for many it will be too late. Those leaders who are not listening to God will see just how many souls they have destroyed. Those Bishops and Priests who are not speaking the truth will see how many souls they have led astray. All will see just how many wounds they have added to Jesus' Most Precious Body. All will see the crucified Christ as His Most Precious Blood pours down upon this world.

Please understand, I come to you because I am obedient to God. I am here for all my children because sin has become widespread. I am here to plead with you to repent, speak the truth and return to God. I have given so many messages because so many are not taking heed to the Gospel. God has only allowed so much time for me to assist, assist my children. So much evil is in this world due to lack of faith and trust in God. So many are joining hands with Satan and his followers. Many souls go to hell because they choose to live in mortal sin. Many today do not believe that hell exists. My heart is pierced each time a soul is lost.

Dear Bishops, dear Priests, teach your flock. Let the world know that hell exists. Let the world know that there are Commandments that one must follow. Let the world know what will happen if man dies with mortal sin on their soul. Don't only speak about Heaven, for many suffer in Purgatory. Many souls choose hell when they refuse to repent and turn to God.

Please, dear Bishops, God has given you the authority to wake your flock. Don't abuse it, speak the truth from your heart. Be firm, be strong and assist, assist my children now. So many are falling deeper into the pit and you must rescue them. I need your help, so please do not compromise with the world. Be true leaders. Be true and faithful to Almighty God. Many more souls can be saved if you each do your part.

Time moves quickly, so I say to each of you, do not delay. Because my Son loves you, He has humbled Himself to allow me to come to you through these messages. Please accept His love and concern for you. Accept my motherly love and assistance. Accept what is happening around this world and look, look at the fruit these messages are producing. Don't close your eyes or ears, for these messages are tools to lead my children closer, closer to Jesus.

I am now pleading with you to use your hands and voice for Christ. The day will come and I say to you, all will need to be prepared and in a state of grace. Will you help me? Will you please accept these heavenly pleas? Let us pray now for peace, unity and harmony to be spread across this darkened world. Amen.

MESSAGE #2658 from the Blessed Mother August 2, 2004

My daughter, Your hands and voice are needed, so please continue to write and share my words that I give to you. If my children don't wake up soon and take heed to these messages, man will see much more destruction.

Many terrorists roam this earth and they are planning to attack many countries around this world. Without more prayer, many more lives will be destroyed. Without more prayer, the Statue of Liberty will crumble and fire will be seen in many parts of this world. Many buildings will burn and many, many innocent lives will be destroyed. Many souls will suffer when fires race along the streets.

My daughter, I share this with you today because so many souls are in danger. Many are not prepared for what is to come. Many are living in mortal sin. Many are being fooled by the evil one. America is being warned by Heaven, yet so many remain lethargic to the truth. Many deny that God exists. Many are refusing my motherly assistance. So many, due to pride and stubbornness, are entangled by the serpents tail. Many leaders are on the wrong path and they are pulling many of my children deeper, deeper into the pit. Many leaders do not place their trust in God. Much attention is on themselves because their focus is not on God. Those children who are weak in their faith, are giving in to their lies.

America, this is another warning from God. You must repent and turn to God. You must get down on your knees and implore God's mercy. You must pray more and obey all of God's Commandments. You must cherish life and not give in to those leaders who are taking part in destroying lives. You must listen to your Most Holy Pope, for he truly speaks the truth. He has been chosen for these times. He is God's chosen son, who has been given much wisdom and strength. He suffers more than any man on this earth. Through his suffering, he has been truly blessed by God. So please do not listen to the media, listen to your Most Holy Pope. Do all that he is teaching you and then go forth and live, live the Gospel. Go forth and be true disciples. Go forth and be willing to be persecuted for speaking the truth. Go forth now as prayerful people and share my messages of love, peace and hope.

Let us pray now for peace and for the conversion of sinners. Let us pray for your Most Holy Pope and for all members of the Church. Let us pray, pray together, for through prayer and unity, evil will be destroyed. Amen.

MESSAGE #2690 from the Blessed Mother October 27, 2004

My daughter, Please continue to write each time I come to you. Your job as messenger is to write each time I come to you. These messages are saving souls because many are coming to know the truth. These messages are for the world, so please be obedient to what God and I are asking of you. Your cross will be heavier at times, but you will never have to carry it alone. God and I are truly with you, so be at peace. God has chosen many Priests to help you, so please share with them all that cannot be written at this time; your heart will then not become heavy and the pain that you feel interiorly will be lessened.

God has been warning His children for some time now, yet many are still choosing the path that will not lead them to Heaven. Bishops are remaining silent for fear of persecution. A true shepherd does not remain silent when so many are living in mortal sin.

The chastisement will be worldwide if Priests don't wake their flock. If Priests don't defend life, then many, many of my children will suffer. Many more souls will see the fire of hell. If men do not repent, God's Justice will prevail. The sun will continue to darken and fire will descend from Heaven. Much will be taken away from you if man continues to disobey God's Commandments. If man does not get down on their knees and pray, I cannot lessen what is coming your way.

A response is truly needed, so please dear Priests, speak the truth at the pulpit. Live your vocation now and pray, pray for this world. Teach your flock the importance of prayer so more repent and turn to God. Do not give in to the ways of the world, for sin has become widespread.

My messages are all the same, for they are the Gospel. Take heed to what I am telling you, for the Gospel is truly unfolding now. The Gospel must be spread, so please do not deny the truth. Do not abuse your freedom. Be brave soldiers for Christ. Abortion is the greatest sin in this world, so please make it known. Please follow through, for the world is about to reap what it has sown.

Will you, dear Priests, assist my messengers? Will you take heed to my messages that are the Gospel and that of love? Amen.

MESSAGE #2705 from the Blessed Mother December 1, 2004

My daughter, Please continue to write each time I come to you, for these messages are important. These messages are the Gospel and they must be made known so more repent and come to know Our Dear Lord, Jesus. All must wake up from their slumber and turn, turn their lives around.

My daughter, so many today are going deeper and deeper into darkness. Many are being fooled by the evil one and are giving in to sin and temptation. Sins of impurity have become widespread. So much today is being accepted and this truly crucifies my Son.

How can my children say they love God when they are disobeying God's Commandments? If you truly love Jesus, then you must imitate Him. You must not give in to your desires. You must obey each Commandment.

Due to disobedience to God's laws, many are not living a pure and holy life. Many are neglecting prayer because they have lost their dedication to Almighty God. So many are falling deeper into darkness because they are giving in to the world. If man continues to turn away from God, then this world will be severely punished. Many more wars will break out and disease will spread like fire. Many, many will suffer if man does not turn to God and ask for His guidance.

Each of you must live the Word of God. You must embrace His love and mercy. You must turn away from sin and obey, obey each Commandment. You must repent of your sins and return to the Sacraments. You must not try to walk alone. You must trust and be obedient to God.

It is time now to let go of your selfish desires. It is time to take a look at your life and then change in those areas that are truly offending God. There is no longer time to be distant from God. Time is moving quickly, so please be true children of God and be an example towards one another.

This world cannot change unless each of you are willing to do your part. This world will become darker if you choose to live in sin, so please, please respond and climb God's holy mountain with trust and hope in your hearts. Amen.

MESSAGE #2738 from the Blessed Mother February 17, 2005

My daughter, There is no longer time to be silent. All must repent and wake up from their slumber. All must pray more, for much evil is roaming this earth.

Without more prayer, this world will suffer, suffer tremendously. Without more prayer, there will be a nuclear war. Without more prayer, fire will consume cities and disease will spread. Yes, much is taking place behind closed doors. Only prayer and penance can stop what is coming your way.

I say to my children, wake up, wake up now. Get down on your knees and pray more. Pray for your enemies. Pray for those who truly want to destroy this world. Pray for your leaders, for if they do not join hands and work together, many more terrorists will roam the earth. Please, please understand, wherever there is lack of prayer, evil will spread. This message must be made known, for prayer is truly needed all around this world.

I am asking for more prayer, so please teach others how to pray the Rosary. The Rosary is my gift to you and it will shelter you through all storms. The Rosary is your weapon and if prayed correctly, it can lessen what is coming your way. Your prayers and loyalty to God can remove darkness. Are you willing to do your part? Are you listening and obeying God? Time will tell, but I say to you, time is short.

God is your Creator, so please do not remove God from your lives. Join hands and pray and form prayer groups all around this darkened world. Discipline yourselves now and get down on your knees and pray. Amen.

MESSAGE #2743 from the Blessed Mother March 2, 2005

My daughter, I am your mother and I am truly by your side, so continue to move forward, for there is not much time to rescue those who are sleeping. Move quickly, for so many of my children are in need of help.

I need hands and voices that are nurturing. I need each of you to share your love of knowing Jesus. Please be signs of joy and hope to those who are being misled. Be joyful and loving and spread these messages to all your brothers and sisters. Be true soldiers for Christ and respond now to all that I am asking of you. Be true and faithful servants and use those gifts God has given you.

Do not abuse this time, for change is about to happen soon. Rivers of fire will be seen, to wake mankind, and those who were not prepared will be truly frightened. Those who are living in mortal sin will have but little time to repent. Those who were ignoring God will have to decide whose side they want to be on. Times of great tribulation will unfold and all will need to be prepared.

Now, please allow my Son's rays to shine through you. Allow my Son to truly use you in this time of preparation. Go forth in love and in truth. Go forth and illuminate the earth. Be light to this world and use your hands and voice for Christ. Amen.

MESSAGE #2748 from the Blessed Mother March 16, 2005

My daughter, All must come to know the truth. Hearts must open in order for darkness to be removed.

Today, I am here to wake my children so more repent before it's too late. I am pleading with all my children because so many are ignoring Heaven's call. So many are rejecting God by the lifestyle they are living. Evil has spread like fire in every corner of this earth. Oh, how I weep for those children who are choosing to live in sin. I weep because many know in their hearts that they are doing wrong.

Laziness and unwillingness to change one's lifestyle is why evil has become widespread. Each of you must do your part in order for change to occur in your lives. If you are disobeying God's Commandments, then repent now. Examine your conscience and then cleanse your soul. Come back to the Sacraments if you have fallen away and repent, repent of all wrong doing. Repent and turn to God so that you can be guided on this earth. The serpent's tail is long and if you continue to deny sin, he will truly smother you.

Please, dear children, remove the darkness that you have allowed to rule your lives. Remove the darkness so that my Son can live in your hearts. Open your hearts and accept, accept God's love. Open your hearts and stay close, close to Jesus. Stay close to the merciful heart of my Son and trust, trust in His love and mercy. Amen.

MESSAGE #2812 from the Blessed Mother September 12, 2005

My daughter, There cannot be peace in the world until my children truly live the Gospel. War would not exist if my children truly loved, loved one another. Families would live in great peace if family members would pray and fast and truly turned to God for all their needs.

Please, dear children, unite yourselves to God. Let go of any hatred that is in your heart. Be loving and forgiving and pray, pray for unbelievers. Come out of darkness and be light to the world. Shine, shine your love of knowing Jesus so more awake in this time of God's mercy. The earth will continue to tremble if man does not wake up and respond to Heaven's call.

I say to my children, war is a punishment for man's sins. Much prayer, penance and fasting is truly needed in order to turn the world around. Prayer and penance is needed each new day. I need your help, so please, please work with me. Join hands and pray together and live, live the many messages that have been given to you. Pray throughout the day. Pray for an end to war. Pray or you will see much more destruction upon the world. Fire will be seen throughout the world if man continues to ignore Heaven's call.

Please, please respond and live a life of prayer. Live a life of prayer and offer prayers and sacrifices for the conversion of sinners and for peace throughout this darkened world. Amen.

MESSAGE #2881 from Jesus May 2, 2006

My child,

Have faith in Me and My Mother's intercession so you persevere with joy in your heart. My Mother will lead you to Heaven if you continue to take her hand and do all that she is asking of you. The world will not make it easy for you, but I, Your Lord, will be by your side. I will open those doors that men so blindly shut. Each new day, seek the refuge of My Mother's Immaculate Heart and she will protect you from the enemy.

My child, look at My Eucharistic Heart and you will truly see how much I love you. I ask that you share this love so that more take refuge in My Most Sacred Heart. Those who take refuge, I will refresh, and I will fill them with My love.

The world will suffer more if mankind does not turn from their sins and be converted. Many more storms will arise and many, many will suffer if they continue to choose darkness. The world will see total chaos if they ignore My Mother's pleas. The world will see a bloody massacre if man continues to choose war. Fire will fall from the sky and there will be no place to hide. If mankind does not hear My words, the earth will crumble. The hour is drawing near and I am warning mankind.

My child, make My words known. My words of mercy and love. Make My words known and abandon yourself completely to My call so more souls can be saved. Listen to My direction. Listen, be calm and pray throughout the day. I am Jesus. I am with you. Prayer and My cross will give you peace.

MESSAGE #2902 from Jesus July 12, 2006

My child,

I am Jesus. I come today with tears in My Heart, for many are not listening to My Mother. They are refusing her assistance because they do not want to amend their ways. So many living in sin. So many doing whatever they please in this time of mercy.

I say to the world, the Godless will be destroyed. Fire will fall from the sky and many will perish. I say to mankind, prepare your soul. Wake up from your slumber. Speak the truth. Wake those who are in darkness. Do penance for your sins. Cleanse your soul thoroughly. Listen to My Mother. Listen to My messengers, for they speak the truth. Listen, for the time is drawing near. Those who refuse to repent, will perish from their sins. A time of great trial will come. Everyone must begin now to do penance and pray. Meditate on the mysteries of the Rosary. Meditate and pray for humanity.

My child, follow Me along the way of the cross. Surrender yourself to My Will. Unite your soul to Mine, for I have much direction that needs to be made known for the world. You have been chosen, so pray every day for souls. I am with you. Do not hide what I tell you.

It is time for those who are choosing darkness to wake up. It is time for humanity to get down on their knees and pray. With tears in My Heart, I am asking the world to join hands and pray.

MESSAGE #3049 from the Blessed Mother January 14, 2008

My daughter, Please climb no matter how difficult the road becomes. Keep moving forward so more come to know Jesus. This time is moving quickly and many are still sleeping.

Many families do not pray together and they are running in the wrong direction. How I weep when my children are choosing hell. I weep each time another soul is lost. I weep for those who deny God, for they are truly walking alone. Without more prayer, many more souls will see the fire of hell.

Dear children, please decide today to take the path that will lead you to Heaven. Examine your conscience and then repent. Repent of your ways and do penance for your sins. Turn to God before it's too late. Ask, ask for His assistance and My Son will truly nurture you.

Now, please imitate My Son and be open to His loving guidance. Seek to follow My Son no matter how difficult it may seem. Trust in God's mercy and believe that God and I will assist you. Trust and move forward and be confident in God's unending mercy and love. Amen.
